Property Description

We have the pleasure marketing this unique country house which is set facing the stunning fresh lake of La Pedera. The views from the living areas bedrooms and terraces are outstanding! The beautiful tranquil turquoise colours of the lake to the countryside surroundings are breathtaking. The array of citrus trees, wild flowers and herbs, olive and almond trees stretch across the plains of Terremendo. The property has beautiful stories about its development of what it is has become today. From the interesting antique furniture to the decorative solid wooden doors this property seeps in Directly next to la Pedrera reservoir, the property is surrounded by orange trees. Large open spaces, and warm and cosy rooms in which spend great momen...
