Property Description

A wonderful opportunity to acquire a traditional Spanish townhouse just a short stroll from the village square!

The property is in need of some renovation work but offers plenty of indoor and outdoor space and has great potential.

There are currently 3 bedrooms, a family bathroom, kitchen, spacious lounge-diner, large storage room / workshop, plus a rear courtyard with a second storage room. There is also a roof terrace which is accessed from the first floor.

The location of this property really is fantastic and would suite those wanting to reside in a traditional Spanish village whilst only being a short drive from the coast..
