Property Description

One of Ciudad Quesada's classic properties is for sale, and it's a beauty. Built in 1988, this 4 bedroom, 2 bathroom detached villa has off road parking, a private pool, gorgeous outside barbecue/dining area, and a large underbuild. It's been a family home for a little over 20 years and could use just a little TLC but this doesn't detract in any way from what is a wonderful property in a very desirable area. Call us to view now.
