### Property Description

Three individual villas, each with two floors: a basement and the first floor, parking spaces, a large terrace with a swimming pool, and plenty of green space. Each villa has 3 bedrooms and 3 bathrooms, as well as the possibility to customize the basement floor into a living area. You can create a cozy atmosphere according to your wishes and needs. Individual design allows you to take into account all the dreams of the customer, which could not be realized using a standard project. An individual project is an opportunity to equip inside or in an annex a swimming pool, a sauna, a garage, a billiard room and even a dance hall for receiving guests. At the same time, all this will be located in such a way that it would be most comfortable ...
