Property Description

Presented in show home condition, this luxurious three bedroom, three bathroom villa has an excellent location with high quality finishes throughout. The current owners have done everything they can to turn the house into a beautifully styled contemporary home. The property is located in the centre of the plot which measures nearly 500m² and provides access to a beautifully landscaped garden from all sides. Internally, the villa has a living area of approximately 120 m² and has, on the ground floor, a modern open plan kitchen equipped with Siemens appliances, such as a steam oven, a 4-burner induction hob, built-in extractor hood, dishwasher and an American refrigerator with built-in ice maker...
