Property Description

Plot. This exceptional large corner plot can be found in the Oasis Urbanisation near La Marina on the Costa Blanca South. The offering consists of two plots, one measuring 500m² and the other 360m², being sold together as a single project. This results in a combined plot size of 860m².

The plot has immense potential, allowing for the construction of a villa approximately 300m² in size, along with an 8 × 4 meter pool and parking area. The total price for this opportunity, including the architect's basic project, is 175,000 euros. Once completed, we estimate the project's value to exceed 600,000 euros, based on the architectural drawings and plans...
