Property Description

The Residences

There are just a handful of units left on this spectacular development in the hills above Marbella town. All of the remaining properties are penthouses and have large roof terraces and balconies as well as three bedrooms and two bathrooms, one of which is ensuite to the master bedroom.

The properties have high quality kitchens and all white goods are included, the bathrooms are stylish and modern and LED lighting is used throughout to create an exclusive feel. The living areas are particularly spacious and have direct

access to the balconies while the roof terrace access is via an interior staircase...
