Property Description

NUBAY is a complex located on the first line of the beach.

It consists of two and three bedroom apartments, three and four bedroom penthouses., five large bungalows with three bedrooms, three bathrooms plus a guest cloakroom.

All homes will have spectacular sea views in an extraordinary location. The project combines modern design architecture with perfectly studied landscaping that surrounds the building with its large gardens and common leisure areas that allows you to enjoy a unique concept in the first line of the beach...
