Property Description

Beautiful properties located up in the hills of Benahavis, phase one has already been successfully delivered and the developer is now inviting reservations on phase two of the project.

The development will eventually be made up of apartments, villas and semi-detached houses. Currently, the properties that have been released are the apartments built up in the hills right next to the Marbella Club golf course with the elevation providing spectacular views of the Mediterranean Sea and surrounding nature.

One can choose between two or three bedroom units and three different types with ground floor duplex apartments,

midfloor units with balconies and penthouses with spacious roof terraces...
