Property Description

This great town house, is located in Pinoso, in a very quiet area, but close to everything you need, shops, bars, parks ... This house has two floors, each floor has an independent house. in the silver above is the main house. It has a large living room with fireplace, a large kitchen with space for a large breakfast table, this kitchen has a gallery and pantry. Also through the kitchen you have access to a large solarium from which you can see the mountains, and the inner courtyard that has the house on the ground floor. From the living room there is a corridor that leads to 2 double bedrooms, one of them with bathroom included. There is also a room and another bathroom...
