Property Description

Ample rustic land of 10.287m² to be sold, ideally to build your own home, to your liking and in a unique environment, surrounded by nature.

It has a foundation of 150m² where the current owners have started to build their own property. The plans are currently for a three bedroom 2 bathroom detached property with a study that can be on two floors with a maximum height of 7 meters.

The land is surrounded with olive and almond trees, overlooking the castle of Biar and the mountains. A few meters away there are neighbours, who live there all year. There is pre installation of water in place where just a meter needs to be fitted. Electric on mains is also available...
