Property Description

Urban plot for sale in Benissa Coast of 10565 square metres for sale with all mains connected and stunning sea views from Moraira to Calpe. Just 5 minutes driving to the sandy beach La Fustera.

There is another one available by this one with 1565 square metres. Both can be bought with or without building. Fantastic panoramic seaviews from Moraira to Calpe. This plot offers a maximum of privacy because of it's elevated position. It is not overlooked and will also in the future not be overlooked. Adjacent to a green zone. Great opportunity. As a builder we already have a project planned on this great plot for sale. This means we can start to construct on a short notice...
