Property Description

Beautiful town house located in the center of Novelda, the property has access through two different streets. This house needs a little improvement, but with just painting and changing the doors you will have a new house! The electrical installation is new, the sewer is new, the thermos ... So the main thing is in perfect condition. The house has 165 meters built distributed in 3 bedrooms (with the possibility of making more bedrooms) 1 bathroom, large living room prepared to put a wood burning fireplace and the area where the kitchen would go. It also has a very large garage with capacity for 2/3 cars, which you could turn into an annex for guests or more rooms...
