Property Description

Unlock the potential of this versatile land plot spanning 10,060m² in the captivating Spanish Mediterranean countryside. While the property currently lacks specific utilities, it offers a blank canvas for those with a vision for development. This plot, designated as buildable, provides an opportunity to create a bespoke residence in an idyllic natural setting. While electricity and water are not currently available on the property, the absence of these utilities presents an opportunity to design an eco-friendly, off-grid haven tailored to your sustainable living aspirations. What truly sets this land apart are the picturesque views of the Spanish Mediterranean countryside. Imagine waking up to unobstructed vistas, enjoying the tranquil...
