Property Description

Housing in the old town of Calpe that includes two town houses joined together with very thick walls and creating an ideal temperature practically all year round. Entering the house we have a large hall that gives access to a semi-basement living room where you can enjoy cozy moments next to the typical Mediterranean fireplace. It has another living room with fireplace; summer kitchen with barbecue, laundry room and typical patio with vegetation. It also has another kitchen, 4 bedrooms, 1 bathroom, and 1 toilet with shower, 2 balconies and 1 interior terrace. The house was completely renovated in 2011 and is very well preserved. The façade receives sun in the morning, while the interior receives sun in the afternoon. In addition, you...
