Property Description

Welcome to a renovated home in the heart of Ondara, where every corner tells a story of modernity and comfort!

Imagine waking up every day in a 349m² home, built with care on a 600m² plot. On the main floor, at street level, you will be greeted by bright, modern spaces. A 60m² living room spreads out before you, inviting you to create unforgettable memories. The kitchen, with a pearl white island, is the perfect place to awaken your culinary skills.

Three spacious double bedrooms provide you with the comfort you deserve, along with two full bathrooms, one of them in the master bedroom with a hydro-massage shower for a well-deserved rest.

In addition, this property has a fully equipped basement with a rustic touch...
