A little more about Altea ...

Altea, surrounded by mountains and nature, is undoubtedly one of the most charming villages on the Costa Blanca. Located in the Alicante region, it enjoys a privileged location and an excellent temperate climate, with an average temperature throughout the year of 18 to 20° C. Altea consists of a new and an old neighborhood. The old part of the city is situated on a hill from where you have a breathtaking view, especially at night when you look at the illuminated city while enjoying a romantic dinner in one of the many cozy restaurants.
