Property Description

Discover the Charm of Mediterranean Life in Tarraula, Jávea – An Architectural Gem with History

In the heart of Tarraula in Jávea, a well-kept secret awaits discovery. A unique property, a haven of peace and beauty, surrounded by an ecologically cultivated olive estate, where privacy and nature intertwine to create a personal sanctuary.

Imagine waking up each morning in a traditional estate, where every corner tells a story. This meticulously renovated property is a treasure of Mediterranean architecture. Here, quality and history come together in every detail: from the

authentic Tosca arches that add a majestic character to the structure, to the handmade terracotta floors that bring warmth and authenticity to ev...
