Property Description

Unique and renovated villa located in the Balcón de Costa Blanca area with a surface of 160 m². This wonderful property has three spacious double bedrooms and three modern bathrooms. The kitchen is fully equipped and the interior finishes are of high quality, highlighting the wooden interior carpentry. Its south orientation ensures exceptional brightness throughout the day on its impeccable ceramic floor. In addition, this home offers extraordinary comforts such as air conditioning distributed throughout the house (with three splits), an anti-theft alarm system for greater security, and impressive built-in closets that maximize available space...
