Property Description

“Large Parking Space in the Heart of La Nucía” A unique opportunity! We put at your disposal a spacious parking space for sale, located in the vibrant center of La Nucía, a few steps from the Town Hall. This space is located in an underground parking lot with easy access thanks to an automatic door. With an area of 30m², this parking space gives you the convenience of not only parking your vehicle easily, but also using the additional space to place a practical storage closet. Imagine the convenience of having additional space to store your belongings, tools or sports equipment, all just a step away from your location in the heart of La Nucía. You'll never have to worry about finding a parking spot in a busy area again...
