Property Description

Apartment for sale in the historic centre of Xixona, located on the second floor of a building built in 1800. This apartment is located in a building that has been externally restored, but the internal entrance needs to be renovated. The apartment has 4 rooms, 2 of which are without windows and 2 rooms with floor to ceiling windows. The apartment needs to be completely renovated and electricity and water supply to the apartment. The apartment also includes two rooms. About 20 sq.m., which can serve as a large storage room or laundry room. Convenient access to a large terrace shared by the residents allows you to enjoy the fresh air. There are neighbours in the building – Spaniards...
