Property Description

Monte Javea is one of the best locations in Javea, featuring fine villas with landscaped gardens adjoining sparkling pools.

A peaceful sunny location that sits in the green hills above Javea.

Located on the edge of the Granadella forest, Monte Javea lies next to the winding beach road that descends to the stunning cove of Cala Granadella; voted the best beach in Spain year after year.

This south facing plot of 1237m² is fully urbanised with pavements and street lighting.

All utilities are connected to the plot including water, electricity, mains drainage, hi-speed fibre/cable and centralised gas connection.

A 250m² villa + pool can be constructed on this particular site, situated on a quiet spot, ju...
