Property Description

Beautifully renovated villa with south facing garden and private pool. Completely renovated inside and out with top quality materials. The villa is on 2 floors. On the ground floor there is an entrance hall, a spacious living room with modern flooring and large windows opening onto the outdoor terrace and pool. The living area flows into a modern fully fitted open plan kitchen with storage, a spacious bedroom and a separate bathroom with shower. An open staircase leads to the first floor with three bedrooms and two bathrooms. The spacious master bedroom has a private terrace with sea views and an ensuite bathroom. There are two further bedrooms with separate bathrooms...
