Property Description

Welcome to an enticing opportunity in the countryside! This plot of land, spanning 4,250 square meters, is the ideal space for agricultural pursuits. It cannot be built on due to lack of metres, but you can create your ideal garden and plantation of beautiful flowers here. Nestled amidst the serene countryside, this land offers fertile ground for cultivating crops, planting orchards, or even creating a thriving garden. With its generous size, there's ample space to explore various agricultural activities and embrace a sustainable lifestyle. The potential for agricultural use opens up a world of possibilities for those with a green thumb and a passion for working the land...
