Property Description

This 300 m² country house, located just 500 meters from the edge of Pinoso, offers a unique opportunity with two connected houses. Together, they provide four bedrooms and two bathrooms, making it ideal for a large family or potential business use. The property includes two garages and sits on a spacious, fully fenced plot with easy access from two tarmac roads. Whether you're looking for a home with room to grow or a business venture, this property combines convenience and potential in a prime location...
