Property Description

Duplex penthouse with beautiful views of the sea and the Castle in the sought-after area of the Yacht Club, with all services within walking distance. The 165m² property (including terraces) has been renovated using top-quality materials and is distributed over two floors as follows: Main floor: living room with direct access to a large terrace with beautiful sea views, fully equipped independent kitchen and access to a laundry area, bedroom and a bathroom with shower. Upper floor: 2 bedrooms, both with direct access to a small terrace and bathroom. In addition, the entire property is equipped with hot/cold split air conditioning. I definitely recommend a visit, penthouses in this location and with these views are hard to find!
