Property Description

This villa is for those who value comfort, coziness and want to get the most out of their home. Of course, you can make many wishes come true on almost five hundred meters of usable space.

The lower floor will easily accommodate any of your hobbies, be it a cinema, music room, gym, games room or workshop. The utility rooms contain everything that will make your life in the house comfortable and enjoyable. Water supply, solar panel control, batteries for energy storage, underfloor heating system, heat pump. For your convenience, an elevator runs between the floors.

Modern houses rarely offer several parking spaces and even a spacious garage to boot. In the same house, you can comfortably park up to five cars or your favor...
