Property Description

A commercial space located in the Mercado La Frontera, in Petrer is available for transfer. This area has a total surface of 20 m² and presents itself as the perfect option for entrepreneurs looking to establish their dream business. Thanks to the facilities for changing use granted by the municipality, you can adapt this space to your specific needs without additional complications. Furthermore, maintenance costs are very low; you'll only need to pay an accessible monthly rent of just €90. This is a unique opportunity both for new business initiatives and those seeking to expand their current operations in a dynamic and busy environment...
