Property Description

Located in a quiet residential area, this Mediterranean villa offers the perfect combination of comfort and a privileged location. Situated on a traffic-free street, it is just 400 meters from restaurants and supermarkets, and 650 meters from the beautiful La Fustera Beach.

With a southeast orientation, this villa enjoys abundant sunlight throughout most of the day and boasts sea views. The property is built on a large plot of 1,928 m² and has a constructed area of 569 m² spread over two floors and a semi-basement, providing spacious living areas throughout.

On the main floor, upon entering, we find a porch, followed by a large entrance hall with a spectacular staircase leading to the upper floor...
