Property Description

Residencial Caravelle – Modern Homes Near the Coast

Residencial Caravelle is a new development project located in Mijas Costa, designed to offer comfort, quality, and a strategic location near the coast. The project consists of 44 homes with one, two, and three bedrooms, including penthouses with large terraces. The apartments are designed with functionality and natural light in mind, where every detail has been carefully considered to create a pleasant and modern living environment.

The area is a highly developing region and one of the most expansive parts of Málaga. With quick access to the A-7 motorway, you can reach Málaga city, the airport, or Marbella in no time. Additionally, some of Costa del Sol's best golf ...
